A TRANQUIL VILLAGE SETTING

Quarrington is an idyllic village just a mile to the south-west of the historic market town of Sleaford. The village itself has a handy Co-op for everyday essentials, St Botolph's C of E Primary School which is rated 'Good' by Ofsted and a historic grade II listed church with a tower and spire.

With Sleaford right on your doorstep, its wide range of amenities are at your fingertips. These include a great choice of supermarkets and shops – both high street names and independent ones. And, of course, a regular market three days a week held on the picturesque Market Place alongside St Denys' Church. There is also a monthly farmers market not to be missed where you can buy local produce. In addition to all the shops, there is a wide range of cafes, bars and restaurants to try.

The town also boasts an excellent choice of respected senior schools, these being Carre's Grammar School, Kesteven and Sleaford High School and St George's Academy, all of which have been rated 'Good' by Ofsted. This is in addition to number of great primary schools and childcare facilities.

If you're into your sport and exercise, you'll be impressed with the local leisure centre which includes a 25m swimming pool, steam and sauna facilities, children's splash area and fully-equipped gym. There are also the local football, rugby, hockey and bowls clubs to join, as well as the Sleaford Golf Club just down the road from Quarrington. Then of course, there are the miles of beautiful country walks and cycle paths to explore.

Living at Pastures Grange also places you in the perfect spot for days out. If you want to stay local, you can go for picnic by the River Slea or discover the history of the Royal Air Force College Cranwell at Cranwell Aviation Heritage Museum. The historic city of Lincoln is just half an hour away with its wide range of attractions which includes the impressive castle and cathedral. If you fancy a day on the beach, then hop in the car and before you know it you'll be in Skegness tucking into an ice-cream.

► YOUR BUYING GUIDE

STEP 01

Reservation

Once you've chosen the home for you, your sales executive will guide you through the reservation agreement. You'll need to pay a reservation fee - this could be as little as £250* and makes up part of your deposit. It also means, subject to contracts and meeting the timescales in the agreement, the home is yours at the price agreed.

If you've got a home to sell, our Easymove scheme could make moving easy as we'll arrange an estate agent and even pay their fees.

STEP 02

The Mortgage and Legal Advisor

If you need a mortgage and haven't already arranged one, you'll need to do so quickly. We can give you the details of some reputable independent financial advisers and solicitors if you need a little help. All mortgage lenders will want to value your new home for themselves before they lend you the money – even on our homes which offer fantastic value for money.

When moving house you need a solicitor to carry out the legal work of buying your home – this is called conveyancing. Your solicitor will handle all contracts, provide legal advice and carry out local council searches, work with the Land Registry and transfer the funds to pay for your property.

STEP 03

Exchange of Contracts

Four weeks after reservation (depending on the build stage of your new home) and if all the mortgage and legal documents are in place, we'll exchange contracts†.

At this point you'll need to pay the balance of the deposit and the whole transaction becomes legally binding. Please remember that if your deposit is in an account that you need to give notice of withdrawal, make sure you let the bank know well in advance to avoid having to pay any penalties.

*If you have a Help to Buy ISA please let us know as soon as possible so we can discuss this with you.

STEP 04

Build Completion

Usually around four weeks before your home is finished we'll get in touch to let you know of your legal completion date. This is normally within 7 – 14 days of construction ending. Your home will also undergo thorough quality inspections, both internally and externally, to ensure that it meets our quality standards. It will also be subject to several inspections by the National House-Building Council (NHBC).

Around this time we'll invite you to a home demonstration to familiarise yourself with your new home. During the demonstration we'll show you everything from how to work your heating system and appliances to the location of your fuse box.

STEP 05

Legal Completion

You're nearly there. Legal completion is when your lender releases the funds to pay for your home. This is all done through your solicitor.

Through your advisor, you will be notified of the specific completion date, which will take place within a 2 week period after the physical completion of the property. We'll then provide your solicitor with the title deeds of your home and register you as the home owner with the relevant utility companies.

STEP 06

Move in

Your dream Keepmoat home and a great new life awaits... once you've unpacked all the boxes.

Don't forget, we're always on hand to help you every step of the way even after you've moved in. Our regional customer care teams featuring highly trained staff can address any questions or issues that you may have with your new home.
